

*It is almost that time of year again!
Discover some festive fundraising ideas to
get you in the Christmas spirit, have fun
and raise funds for carers in Hertfordshire.*

Festive fancy dress day

A classic fun and easy festive fundraising idea. Host a Christmas jumper, hat or festive fancy dress day and collect a donation from participants. You could make awards for best dressed, most creative, or ugliest Christmas jumper, and hold a vote!

Set up a gift wrapping station

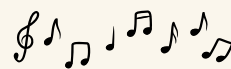

Are you a whizz with wrapping paper, tags, and tape?
Why not sell your skills and set up a gift-wrapping station?
Ask for a suggested donation per gift wrapped.

Christmas Cards

Spread some festive cheer by sending Carers in Hertfordshire cards to those you care about. For every pack purchased, you'll be helping us support unpaid carers.

Festive Singalong

Host a Festive Singalong and have some festive fun with colleagues, friends, family, or a choir, this December.

Quiz-mas

Christmas is a great time for a quiz. For a small donation, teams can sign up to test their festive knowledge for a chance to win a great prize! If quizzing isn't for you, why not host a seasonal themed bingo night and ask for donations to take part? Rather than the winner shouting "Bingo" change it to "Ho Ho Ho!"

Festive afternoon tea party

Organise a festive afternoon tea party with seasonal treats like mince pies, Christmas biscuits, and cakes. Charge an entry fee for attendees, and consider adding a raffle with donated prizes to raise additional funds.

Guess the angel

Gather pictures of when your colleagues were little, put the pictures all together and get them to guess who's who for a donation. You can have a prize, so that the person who guesses the most pictures correctly wins!

Charity of the Year

What better way to show your support to the incredible local unpaid carers, than to choose the charity that supports them, as your Charity of the Year?

Through your support and dedication, you become part of our invaluable work spreading the word that we exist and raise funding for our amazing projects.

A Big Thank You!

However you choose to fundraise, we want to say a massive thank you for supporting Carers in Hertfordshire. Carers do so much behind closed doors, often with little support. Your fundraising will help us to continue to provide vital services and ensure carers are seen and heard in our community.

We will help you with everything you need to get started - including providing tips and advice to kick start your fundraising.

If you have any questions or would like to get involved, please email us on

fundraising@carersinherts.org.uk

Thank you!
