The Values Tree Walk around Clophill

A tree for each decade of Queen Elizabeth's reign 1952 - 2012

Clophill Community Tree Trust

Clophill Community Tree Trust supplied our wild service trees which were grown from seeds collected in the ancient woodland in Shuttleworth Estate. They were collected ten years ago by the Trust when Queen Elizabeth had been reigning for fifty years and have been planted in Clophill during her 60th year.

Friendship

Friendship means being kind and thoughtful. The only way to find a think have to think takes course herause you have to think takes course herause you have to think takes course herause you have to think takes course the friend is to be one this takes course. Friendship means being kind and thoughtful. The only way to find a loving should be one, this takes courage because you have to think true friend is to be one, this takes courage because you have to wind and thoughtful. The only way to find a should be one, and the friendship is about heing loving and another should be one, this takes courage because you have to think the friendship is about heing love the friendship is about your actions carefully friendship is about your actions. true friend is to be one, this takes courage because you have to think and true friend is to be one, this takes courage because you have to think and true friend is to be one, this takes courage because you have to think true friend is to be one, this takes courage because you have to think true friend is to be one, this takes courage because you have to think true friend is to be one, this takes courage because you have to think true friend is to be one, this takes courage because you have to think true friend is to be one, this takes courage because you have to think true friend is to be one, this takes courage because you have to think true friend is to be one, this takes courage because you have to think true friend is to be one, this takes courage because you have to think true friend is to be one, this takes courage because you have to think true friend is to be one, this takes courage because you have to think true friendship is about your actions carefully.

about your actions carefully. Friendship is about bein, about your actions carefully putting yourself first. caring, giving to others, and not putting yourself first.

Faith will to do things that may be will to do things that may be that He will to do things that He will be will Faith gives us the strength and the will to do things that may be that He will gives us the strength and the will to do things that He will the difficult. By trusting in God we can always believe that He will difficult. By trusting in God we can always believe that faith is all trusting in God we can always believe that He will be difficult. By trusting in God we can always believe that He will be guide us on the right path. The Bible teaches us that we hope for and certain of what we have the continuous continuou guide us on the right path. The Bible teaches us that faith is guide us on the right path. The Bible teaches us that we do not see. If we didn't have faith nothing would get done as no one would being sure of what we hope for and certain of what we hope for and certain of what we hope for and certain get done as no one would get done as no one being sure of what we hope for and certain of what we do not see.

If we didn have faith nothing would get done as no one would helieve in themselves or anyone else.

Respect

Respect means caring about ourselves, other people is feelings and it helps us anneciate it helps us anneciate it helps us anneciate the things around us. It is important because it helps us anneciate the things around us. Respect means caring about ourselves, other people's feelings and it helps us appreciate the things around us. It is important because it helps us appreciate the things around us is how valuable everything around us is how valuable everything around us is.

how valuable everything around us is what others have to say and how valuable everything around us is.

How valuable everything around us is.

What others have to say and caring for the parties of the partie Being respectful means listening to what others have to say and caring for the valuing their ideas; looking after our belongings and caring for the valuing their ideas; looking after our belongings and caring for the valuing their ideas; looking after our belongings and caring for the valuing their ideas; looking after our belongings and caring for the value of the v the number around us. It is important oct how valuable everything around us is. The how valuable everything around the magnetic transfer to magnetic transfer to the paint reconactful magnetic transfer tra things around us.

The Wild Service Tree

Sorbis Torminalis

The picture above shows the leaves, flowers and fruit of the Wild Service Tree

The wild service tree, sometimes known as the chequers tree is a medium sized tree growing 15-25m tall with sweeping branches and a bark that is smooth and grey but flaky.

Throughout May the tree produces small groups of white flowers. The leaves are wide and glossy, looking a little like a maple leaf and turn from green to shades of gold and deep red in Autumn. The tree also produces autumn fruits □The berries are edible and taste similar to a date although until they are over-ripe. They were traditionally known as a herbal remedy for colic and the tree's Latin name, torminalis means 'good for colic'. The fruit were also used to flavour beer, and made into sweets for children.

Sponsorship

- 1. Our Values Tree at the Lock-Up was kindly donated by Clophill Parish Council. It represents Thoughtfulness.
- 2. Our Values Tree at the Old Bridge was kindly donated by Clophill Methodist Church. It represents Peace.

- 6. Our Values Tree at St Mary S Old Church was kindly donated by Clophill United Charities. It represents Respect.

Clophill Diamond Jubilee Tree walk

This leaflet is to celebrate the Queen s 60th year on the throne. Six Wild Service trees have been planted around Clophill to preserve their heritage and to mark important landmarks in the village. We have chosen special values that link to these.

Inside this leaflet there is a map of Clophill showing where the trees are planted. On each of the trees is a special plaque with a Ivalues thought □on it for you to consider. There is space on the map to write these down. Can you find them all?

This Leaflet has been created by the Values Newsletter Club of St Mary CC of E Lower **School Clophill**
