## 2020 SITE PERFORMANCE AWARDS

Newsflash Number 2021/06

23 April 2021

### JIG Site Performance Awards suspended for 2020, due to COVID-19.

Please note that due to the global pandemic resulting in the majority of locations not being able to carry out physical inspections, we have taken the decision to temporarily suspend awards for Sustained Performance and Improved Performance in 2020, as part of the annual Site Performance Awards Programme.

In 2022, when we start awarding sites again, we will also be recognising sites that would have received awards in 2020. Any locations requiring an award for internal or regulatory reasons, and has had a physical inspection, can contact JIG directly and we will confirm in writing that the site has qualified for a 2020 award.

If you have any questions, or wish to request confirmation in writing of an award in 2020, please contact [hse@jig.org](mailto:hse@jig.org)

Thank you for your patience and understanding.
