Your promise of a gift is our future

Thank you so much for pledging a gift in your Will to Willen Hospice.

Our doctors and nurses are ordinary people doing extraordinary things every day; whether they're providing compassionate care and a warm bed for people who are in the final stage of their lives or supporting bereaved family and friends. Behind every one of our professionals are people like you, leaving a gift that will make a real difference to our patients and their families, helping to ensure that our vital care will be available to everyone in our community, now and long into the future.

We would like to keep in touch with you and keep you updated on how gifts in Wills are being used by Willen Hospice. Planning for the future is vital for us and we would be grateful for any information you are happy to share about the type of gift you have left in your Will, by filling in the form below, giving as much or as little information as you are comfortable with. **Thank you.**
